## TELGO Open Golf Tournament Rules of Play

Woodcreek Golf Club Link to web site <http://www.golfroseville.com/>

1. The format of the tournament is a 4 person full scramble.  
This means that you decide which ball of the 4 shots you would like to use.  
The team then moves to that ball.  
Each team member hits one ball from the newly selected ball position.  
Handicap is  $\frac{1}{4}$  of the teams total handicap.
2. Play will be from the **BLUE** tees (men) and **GREEN** tees (women).
3. Tee shot: The team will use the best tee shot on each hole (2 per person).
4. You may improve the lie of each selected shot by one club length, no closer to the green.  
(You may not improve your lie on the green).
5. If your tee shot goes out of bounds you may move the ball back onto the fairway from where you crossed out of bounds.  
This should be no closer to the green (one stroke penalty).
6. All yardage markers are measured to the center of the green.
7. FLAGS - RED = Front of green, WHITE = Middle of green, BLUE = Back of green
8. Course Rules:  
Ball striking utility lines may be replayed with no penalty.  
Lateral hazards are defined by red stakes.  
Out of bounds are defined by white stakes and all boundary fences, the driving range and maintenance yard are out of bounds.
9. How to score:  
Add the score of the best ball shots per hole.  
Total each 18 hole score for a subtotal.  
Subtract  $\frac{1}{4}$ th of the total team handicap from the subtotal.  
This will be the grand total score for the team.
10. Turn your score card in at the club house.
11. Tournament dress code: collared shirts, no levis.
12. Only soft spikes are permitted.
13. Closest to the hole is #4 and #17
14. Longest drive hole is #10 (Ball must be in the fairway)
15. Check in starts at 7:am.
16. Be at your assigned golf carts by 8:00 am.
